

COMPUTAEX travels to San Francisco to collect the Itanium Solution Alliance prize

- Lun, 13/09/2010

José Luis González, COMPUTAEX General Manager, has traveled to San Francisco to collect the [Itanium Solutions Alliance](#) [1] prize in the category of "[Humanitarian Impact](#) [2]". The "[Humanitarian Impact](#) [2]" category rewards the innovative use of Itanium-based systems to deliver results that benefit humanity through research, social improvements or other humanitarian efforts.

COMPUTAEX was also finalist in the category of "[Computationally Intensive Applications](#) [2]" in conjunction with the [University of Málaga](#) [3] and [e-Bay](#) [4], where the winner was the University of Málaga.
